

Let Her Dance (Bobby Fuller)

**Well there she goes with a brand new love affair
Dancin' with him like she don't even care
Well let her dance with him
Let her dance all night long**

**Well who would've known that just yesterday
She danced with me the very same way
Well let her dance with him
Let her dance all night long**

**Well let her dance with him all night long
Let her dance to our favorite song
Well let her dance with him
let her dance all night long**

**Well I'll find me a new love and then she'll see
Someone else will be dancing with me
Let her dance with him
Let her dance all night long**
