

Let It Be Me

<sup>G</sup>  
I <sup>D</sup> bless the day I found you

<sup>Em</sup>            <sup>Bm</sup>  
I want to stay around you

<sup>C</sup>            <sup>G</sup>            <sup>Am</sup> <sup>C</sup>  
And so I beg you,        let it be me

Don't take this heaven from one  
If you must cling to someone  
Now and forever,        let it be me

<sup>C</sup>                            <sup>Bm</sup>  
Each time we meet love

<sup>C</sup>                            <sup>G</sup>  
I find complete love

<sup>Am</sup>                            <sup>Bm</sup>                            <sup>C</sup>                            <sup>Bm</sup> <sup>D</sup>  
Without your sweet love what would life be

So never leave me lonely  
Tell me you love me only  
And that you'll always        let it be me

Each time we meet love  
I find complete love  
Without your sweet love what would life be

So never leave me lonely  
Tell me you love me only  
And that you'll always---let--it be--me
